AMENDMENT UNDER RULE 1.312

Sir:

This Amendment is being filed after receipt of the notice of allowance to correct an obvious typographical error in Figure 4 in the formal drawings filed in the above application on December 10, 2004, which was not present in Figure 4 of the originally filed informal figures, as indicated by the publication of this application, see US20020004526.

The typographical error in Figure 4 in the formal drawings only is the incorrect label of "000" on the Y axis instead of the correct label of "1000" on the Y axis as present in the originally filed informal drawings, as indicated by the publication of this application, see US20020004526. Thus no new matter is added.

A corrected Formal copy of Figure 4 is attached, as well as a marked up copy of the previously presented formal Figure 4, as well as a complete set of the formal drawings.

Please enter the attached corrected Figure 4.

A marked up copy of Figure 4 is attached.

Applicants respectfully request entry of the amendment and remarks.
